Color : Another major technological development was the introduction of natural color, which meant color that was photographically recorded from nature rather than added to black-and-white prints by hand-coloring, stencil-coloring or other arbitrary procedures, although the earliest processes typically yielded colors which were far from natural in appearance.citation needed While the advent of sound films quickly made silent films and theater musicians obsolete, color replaced black-and-white much more gradually.citation needed The pivotal innovation was the introduction of the three-strip version of the Technicolor process, first used for animated cartoons in 1932, then also for live-action short films and isolated sequences in a few feature films, then for an entire feature film, Becky Sharp, in 1935. The expense of the process was daunting, but favorable public response in the form of increased box office receipts usually justified the added cost. The number of films made in color slowly increased year after year.

Festivals : Many festivals and events have been cancelled or postponed. Postponements include the Thessaloniki Documentary Festival, set to begin on March 5 and rescheduled for June 202047 the Beijing International Film Festival, planned for April 2020 and postponed indefinitely48 the Prague International Film Festival, moved from late March to sometime later in 2020 the Bentonville Film Festival, set for April 29 – May 2 and moved to August31 the Istanbul International Film Festival, set for April 10–21 and postponed to a later date in 202049 and the Tribeca Film Festival.11 The Cinequest Film & Creativity Festival, a two-week festival in March, experienced low attendance during its first week and postponed its second week to August 2020.50 The 20th Beverly Hills Film Festival scheduled for April 1–15 is postponed indefinitely.51 The 38th Fajr International Film Festival, scheduled for April 16–24 in Tehran, has been postponed, with plans to organize the event in late spring.52 The 2020 Metro Manila Summer Film Festival, originally scheduled for April 11–21, was also postponed after the decision to place Metro Manila the epicenter of the COVID-19 pandemic in the Philippines under community quarantine was announced, however, it was later cancelled.53

Warner Bros. followed Disney by announcing the postponement of the rest of their upcoming slate on March 24. Tenet was pushed from July 17, 2020, to July 31, 2020, then August 12, 2020 before it was held up indefinitely.108 Wonder Woman 1984 was pushed to August 14, 2020, then to October 2, 2020, and then again to December 25, 2020, with Scoob!, In the Heights, and Malignant being delayed indefinitely. This resulted in Scoob! not having a theatrical release in North America and that film went straight to video on demand, while In the Heights moved to its new release date of June 18, 2021.109 Prior to this, on March 19, Universal and Illumination announced that Minions: The Rise of Gru had been pulled from its intended release date of July 3, 2020, not only due to the pandemic but also due to the temporary closing of its French Illumination Mac Guff animation studio in response to the pandemic, which would leave the films animation to be unfinished on its original date.110 On April 1, 2020, the film was rescheduled for July 2, 2021 taking the planned release date of Sing 2, a year after its original date.111
